

# I Like It, I Love It (ESP 1004) Elmer Sheffield, Jr.

---

## OPENER Basic

**Four ladies promenade** go **once around** that ring  
 Get back home and give your man a **swing**  
**Join up hands circle to the left** and go round  
**Allemande left** your corner and you **weave** around  
 I like it, I love it, I want some more of it  
**Swing your girl** and **promenade** the ring  
 I don't know what it is about that little girl's loving  
 But I like it, I love it, I want some more of it

## FIGURE (twice for heads, twice for sides) Mainstream, corner progression

**Heads promenade** and **go halfway** round the floor  
 Come in and **square thru** go round & you count to four  
 Four hands around and then you **touch 1/4** more  
**Scoot back** and then the **boys run right**  
**Star thru, pass thru, trade by** and **swing**  
**Swing that girl** around and **promenade** that ol' ring  
 I'm taking out the trash, sweeping the floor  
 Nothing on my mind but more, more, more

## MIDDLE BREAK - CLOSER Mainstream

**Sides face grand square**  
 I like it, I love it, I want some more of it  
 I try so hard but I can't rise above it  
 I don't know what it is 'bout that little girl's loving  
 But I like it, I love it, I want some more of it  
**Four ladies promenade** go **once around** that ring  
 Go back **swing** and **promenade** the ring  
 Don't know what it is 'bout that little girl's loving  
 But I like it, I love it, I want some more of it
