

# Rub-A-Dubbin' (ESP 1007) Elmer Sheffield, Jr.

---

## OPENER - CLOSER Basic

### Circle left

\*I could tell they were nervous  
When they saw me at the service  
And the preacher asked if anyone had anything to say  
**Left allemande** the corner, **turn a right hand round your partner**  
**Left allemande** then **weave around the ring**  
He's a rub-a-dubbin' in my tub, sleepin' in my bed  
**Swing your girl** around and you **promenade**  
When they said "I do" I jumped up and said "thank you"  
'Cause my alimony just stopped today

## ALTERNATE LYRICS

\*Every morning he gets up, fires up my old pickup truck  
He used to work one job, thanks to her he's now got two

## FIGURE (twice for heads, twice for sides) Mainstream, corner progression

**Head two couples square thru four** hands around you do  
**Dosado** that corner, **make your wave** and then  
**Swing thru** tonight, let the **boys run** to the right  
**Tag your line** and **face it to the right, wheel and deal**  
You **turn thru** to the corner, do a **left allemande**  
**Swing** a new girl around and you **promenade**  
He thinks he's got her right down to a "T"  
He's just the next ex of my old used-to-be
