

Ain't Got Nothing On Us (ESP 1013) Elmer Sheffield, Jr.

OPENER - MIDDLE BREAK - CLOSER Basic

Circle left

*Well they say Grand Canyon is a sight to see

But it's just a big ditch next to you and me

Left allemande, dosado, the **men star left** and go

You **turn your partner right** and do a **left allemande**

Swing your girl and **promenade** the land

Ooh-Ooh-ee baby, ain't got nothing on us

ALTERNATE LYRICS

*And there's Earth shakin' power in the space shuttle

Well I feel bad every time we cuddle

*I hear there's seven wonders in this big old world

Well don't they know #8 is you and me girl

FIGURE Mainstream, corner progression

Heads square thru go four hands around

Make a right hand star and roll it around

Heads star left inside that ol' ring

Same two go **right & left thru, touch 1/4**

Walk & dodge, partner trade

Reverse the flutter and you **promenade**

Ooh-Ooh-ee baby, ain't got nothing on us
