

# Kentucky Waltz (ESP 1042) Mac Letson

---

## OPENER - MIDDLE BREAK - CLOSER Basic

### Circle left

I was waltzing one night in Kentucky  
Beneath the beautiful harvest moon

**Left allemande** your corner, **turn partner right**

**Left allemande** then **weave the ring**

As I sit here alone in the moonlight

**Swing your girl** around and you **promenade**

I long once more for your embrace

And the beautiful Kentucky waltz

## FIGURE Basic, corner progression

**Heads pass the ocean, extend the tag**

**Swing thru** and then the **boys run right**

**Couples circulate** then **chain down the line**

**Pass the ocean, girls trade** and **swing thru**

**Swing** the corner girl and **promenade**

I long once more for your embrace

And the beautiful Kentucky waltz

## TAG

And the beautiful Kentucky waltz
