

# If You Can Do Anything (ESP 1057) Elmer Sheffield, Jr.

---

## OPENER - MIDDLE BREAK - CLOSER Basic

**Circle** now

\*Would you like to live in Houston

Where the cowboys come to town

Well the **men star right**, go rollin' tonight

**Allemande the corner**, then **weave the ring**

Even New York City

**Swing** and **promenade** in time

If you can do anything else, do it

But if you can't, baby, you can stay right here

## ALTERNATE LYRICS

\*There's work up in Seattle

If you don't mind the rain

\*If you can do anything else

Baby be good to yourself

## FIGURE Mainstream, corner progression

**Heads square thru** all the way and then you **swing thru**

The **men run right** and **half tag**

**Walk & dodge** and a **partner trade**

**Pass the ocean**, the **men cross fold**

**Swing the corner**, **promenade** in time

You won't hurt my feelings, whatever you decide
