

Wrapped Up In You (ESP 1065) Elmer Sheffield, Jr.

OPENER - MIDDLE BREAK - CLOSER Basic

Circle left

*How do I love you, well let me see

I love you like a lyric loves a melody

Left allemande, then you **box the gnat**

4 ladies promenade like that

Turn the partner by the right, go **left allemande**

Come back and **promenade** go round that land

Baby, completely, wrapped up in you

FIGURE Plus, corner progression

Heads you **promenade go halfway** round now

Down the middle a right & left thru, turn 'em around

Square thru 4 in the middle you go

Touch 1/4, split circulate, girls walk, boys dodge

Boys lead, **chase right, swing** her, **promenade**

Baby, completely, wrapped up in you

ALTERNATE LYRICS

*How do I need you, can't you tell

I need you like a penny needs a wishing well

*How do I love you, count the ways

There ain't no number high enough to end this phrase
