

Speak Softly (ESP 112) Elmer Sheffield, Jr.

OPENER - MIDDLE BREAK - CLOSER Basic

Circle to the left

*When you finally tell me what I know is on your mind
 Don't cry, don't let those teardrops start
 The **men star right** & you roll it around

Left allemande & weave around the ring

True love is a treasure that few men ever find

Swing your girl & promenade

Just tell me that you're leaving & you'll be gone for good
 But speak softly you're talking to my heart

FIGURE Basic, corner progression

Heads (sides) promenade & you go 1/2 way

Walk into the middle & square thru I say

Go all the way & then a **right & left thru**

Veer to the left and ferris wheel you go

Center 2, keep your girl, California twirl

Swing the corner there

Swing the girl and then you promenade

It's over, so over

Just a fool would stay to watch it fall apart

ALTERNATE LYRICS

*True love is a treasure, that few men ever find
 I thought that I'd found it from the start
