

Shuttin' Detroit Down (ESP 1124) Elmer Sheffield Jr.

OPENER

Circle

My daddy taught me in the country everyone's the same
You work hard for your dollar and never pass the blame
Now men star right and you roll it 'round
Allemande the corner lady and you weave around
In the real world they're shuttin' Detroit down
When you meet her boys promenade go walkin' around
DC's bailing out those bankers while the farmers auction
ground
In the real world they're shuttin' Detroit down.

FIGURE

Now heads [sides] square thru and you go four
Dosado that corner girl
Swing through tonight and the boy run right
Bend the line, pass the ocean
Recycle, reverse the flutter
Veer right then promenade them tonight
While the boss man takes his bonus paid jets on out of
town
In the real world they're shuttin' Detroit down.

MIDDLE BREAK

Circle

Now I see all them big shots whining on my evening news
'Bout how they're losing billions and it's up to me and you.
The men star right and you roll it round

Do an allemande left the corner gal, and weave around.
In the real world they're shuttin' Detroit down.
When you meet her now promenade go walking around
While they're living up on Wall Street in that New York
City town
Here in the real world they're shuttin' Detroit down.

CLOSER

Circle

An old man's been working in that plant most all his life
Now his pension plan's been cut in half and he can't
afford to die
The men star right and you roll it 'round
Allemande the corner lady, weave around
In the real world they're shuttin' Detroit down
When you meet her boys promenade, go walkin' around
While the boss man takes his bonus paid jets on out of
town
In the real world they're shuttin' Detroit down.
