

New Looks From An Old Lover (ESP 121) Elmer Sheffield, Jr.

OPENER - MIDDLE BREAK - CLOSER Basic

Circle left

*Early this morning I opened my eye
 And caught you watching me sleep
 The **men star right** and go folling on around the ring
Left allemande and **weave the ring**
 I love you and want you forever and always
Swing and **promenade** her and then
 I'm getting new looks from an old lover again

FIGURE Plus, corner progression

The **heads promenade** and **go halfway** around
 While the **sides** go **right & left thru**
 You **flutter wheel** and go then **sweep 1/4** more
 You **pass thru** and then you do the **right & left thru**
Slide thru, load the boat and go
Swing the corner girl and **promenade**
 I'm getting new looks from an old lover again

ALTERNATE LYRICS

*I feel your fingers touching my body
 And mind as they brush through my hair

 I can still win what I've already won
