

# Tight Fitten Jeans (ESP 1263) Elmer Sheffield, Jr.

---

## OPENER Basic

### Circle to the left

She tried to hide it by the faded denim clothes she wore.

But I knew she'd never been inside a bar before

**Walk all around your corner** lady, **see saw your own**

**Men star by the right** inside and roll it around you run

**Allemande the corner** lady, **weave around the ring**

When you meet your own, **swing** and **promenade** the ring

I felt just like a peasant, who just had met a queen

And she knew I saw right through her tight fittin' jeans

## FIGURE Mainstream, corner progression

**Heads square thru** and you roll it once around you go

**Dosado** that corner girl around you know

You **touch 1/4** then, **split circulate** and go

**Boys run right**, and now go **right & left thru** and turn 'em go

And then you **pass the ocean**, then **scoot back** about one time

The **boys trade** and **swing** that corner, **promenade** in time

Tonight she left those crystal candlelights to live a dream

And partner there's a tiger in these tight fittin' jeans

## MIDDLE BREAK - CLOSER Basic

All **four ladies promenade** a **once around** you go

Get on back and **swing** that man, **swing** him high and low

You **join up hands** and **circle to the left** go walking around the ring

Do an **allemande left** with the corner gal

You're gonna **weave around the ring**

She said I married money, and I'm used to wearin' pearls

**Swing** that pretty little girl and you **promenade** around the ring

As she played out her fantasy before my eyes it seemed

A cowgirl came alive inside those tight fittin' jeans

## ALTERNATE LYRICS

A cowboy once had, a millionaire's dream

And Lord I loved that lady wearin' tight fittin' jeans

## TAG

Lord I loved that lady wearin' tight fittin' jeans
