### OPENER - MIDDLE BREAK - CLOSER Basic

#### Circle to the left

\*I just had to call cause babe I got your letter  
 And I understood almost every line  
 You gotta **walk around your corner, seesaw your own  
 Left allemande**, you're gonna **weave** in time  
 It's L.O.A. for you  
**Swing** a little girl & **promenade** her too  
 And after all this time I've got nothing on my mind  
 But L.O.A...for you

### FIGURE Plus, corner progression

The **head (side) couples square thru** roll it round you go  
 Around that corner now you **dosado**  
**Swing thru** & then **girls fold, peel the top**  
 Walk up & **slide thru, touch 1/4** pop  
**Scoot back** here, **scoot back** again  
**Swing** a little girl, **promenade** & then  
 And after all this time I've got nothing on my mind  
 But L.O.A...for you

### ALTERNATE LYRICS

\*She said oh baby it's so simple  
 I didn't mean to make it hard to understand

\*I said oh baby I can love you  
 I'm always amazed at the way we feel
