---

### OPENER - MIDDLE BREAK - CLOSER Basic

#### Circle to the left

\*It came from Mississippi and down in Alabam  
Creeping like a fever, all across the land

**Left allemande** your corner, do a **dosado**

**Left allemande** your corner, then you **weave** you know

It's the hillbilly rock, beat it with a drum

**Swing your girl** around & **promenade her home**

Keeping up the rhythm, steady as a clock

Doin' a little thing called the hillbilly rock

### FIGURE Mainstream, corner progression

**Heads (sides) square thru**, roll it round you go

**Right hand star** & turn it round you know

**Heads star left** inside you go

Round your corner, do a **dosado**

**Swing thru** now, **boys trade, turn thru**

**Left allemande** new corner, **promenade** you do

Keeping up the rhythm, steady as a clock

Doin' a little thing called the hillbilly rock

Or drifted in from Georgia 'bout 1953
