

I Wouldn't Change You If I Could (ESP 204) Elmer Sheffield, Jr., Paul Marcum

OPENER - MIDDLE BREAK - CLOSER Mainstream

Circle to the left

*I wouldn't change a single thing about you if I could
 The way you are just suits me to a tee
 Now **reverse back** go **single file**, keep walking round and then
Men turn in, left allemande and **weave around the ring**
 I wouldn't change you if I could, I love you as you are
Swing that girl around and **promenade** from there
 You're an angel sent from heaven, you're everything that's good
 You're perfect just the way you are
 I wouldn't change you if I could

FIGURE Basic, corner progression

Head 2 couples promenade it's **halfway** round you go
Lead to the right and do a **dosado**
 You **swing thru** and then those **boys run right**
Bend the line and do the **right & left thru**
Flutter wheel across the floor, then **sweep 1/4** more
Pass thru and **swing** the corner, **promenade** the floor
 You're an angel sent from heaven, you're everything that's good
 You're perfect just the way you are
 I wouldn't change you if I could

ALTERNATE LYRICS

*Your eyes, your lips, your tender smile, I'd leave them as they are
 And come what may I'd never change a thing
