

# Two Hearts On The Borderline (ESP 339) Tom Miller

---

## OPENER Mainstream

### Sides face, grand square

Silver wings in the pale moon light  
Two kids get's on a mid-night flight  
Oh 747 save our love

### Allemande left and weave

Fly us to friendly skies, to a Mexican paradise  
We could fall any time  
Two hearts on the borderline

## FIGURE Mainstream, corner progression

**Heads (sides) square thru** you know, find the corner lady **dosado**

**Swing thru** and then, the **boys run right**

**Tag the line** and **cloverleaf**

All the **girls** in the middle **square thru three**

**Swing the corner, promenade** the ring

Two hearts, two lovers, one thing in mind

## MIDDLE BREAK

**Four ladies chain** the ring

Turn the lady and **chain home** again

Well you **join hands, circle** go walking, go movin'

**Allemande left** and **weave**

Leave the fast lane and take it slow

Renew our love in old Mexico

We could fall any time

Two hearts on a borderline

## CLOSER Basic

### Circle

Then we crossed the Rio Grande

She reached out and squeezed my hand

The **men star right one time**

**Allemande left** and **weave the ring**

Leave the fast lane and take it slow

Renew our love in old Mexico

Two hearts on the borderline

**TAG**

We could fall any time, two hearts on a borderline
