

# Heartland (ESP 343) Tom Miller

---

## OPENER Basic

### Circle left

Mr. President, would you listen to the song  
 In mainstream America there's something going wrong  
 Do an **allemande left, turn partner by the right**  
**Four men star by the left** in the middle you go alright  
**Turn your partner by the right** and go **left allemande**  
**Swing the girl** and you **promenade**  
 Don't let the heartland become a wasteland  
 Think about the future of our kids

## FIGURE Plus, corner progression

The **heads [sides] square thru four** hands you go  
**Dosado** the corner one time will do  
**Swing thru**, all the **girls fold, peel the top**  
 Come on and do the **right and left thru**  
 Well **square thru** and go **3/4** round the ring  
**Swing** that corner, **promenade**  
 Don't let the heartland become a wasteland  
 Think about the future of our kids

## MIDDLE BREAK

### Circle left

You see all the "For Sale" signs in the yards of our friends  
 They can't pay the mortgage and the interest raised again  
 Do an **allemande left** the corner, **turn your partner by the right**  
**Men star by the left** in the middle and **go one time** alright  
**Turn your partner by the right** and go **left allemande**  
**Swing that girl** and you **promenade**  
 Don't let the heartland become a wasteland  
 Think about the future of our kids

## CLOSER Basic

### Circle left

The Senate and the House [state], let's all take a stand  
 Not to let the men on Wall Street make the plans

**Allemande left** the corner, **turn your partner by the right**  
**Allemande the corner**, gonna **weave** on 'round the ring  
Don't let the heartland become a wasteland  
Our fathers built it with their sweat and tears  
Don't let the heartland become a wasteland  
Think about the future of our kids

**TAG**

Think about the future of our kids
