

**“I Still Like Bologna”
ESP BY TOM MILLER**

**OPENER, MIDDLE BREAK, ENDING
SIDES FACE GRAND SQUARE**

I still Like Bologna

On white bread

Now and then

And the sound

Of a whippoorwill down a country road

Left allemande and weave the ring

The grass between my toes

And that sunset sinking low

And a good woman’s love

To hold me close

FIGURE: HDS / SDS

But I wouldn’t wanna go

Back even if I could
